RFQ RFI No.	QUESTIONS / ANSWERS
1-1	<p>Question: We are interested in submitting RFQ for both HVAC & Plumbing work. In this case, do you want two entirely separate submissions from us? Or is there a way we can combine and note that we are hoping to qualify for both in 1 RFQ package? If this is okay, please advise if there’s a place you want us to note this in.</p> <p>Answer: Each of the disciplines will require its own pre-qualification submittal.</p>
1-2	<p>Question: Would you be the correct contact in asking to sign-off our company NDA before releasing our audited financial statements? Please advise.</p> <p>Answer: The University will not sign an NDA.</p>
1-3	<p>Question: Our company has multiple 180 seat lecture halls that meet all of the remaining project requirements, is it acceptable to submit this project and only receive partial points or does this mean our company would not qualify.</p> <p>Answer: Please submit what is comparable and the University will determine final pass requirements. Proposals will be qualified on a point basis.</p>
