A. PROJECT DESCRIPTION

The University of California, Riverside proposes to construct the School of Medicine Education Building II (SOM ED II), a new facility that will support the academic and programmatic mission of the University of California, Riverside School of Medicine by providing adequate space for existing needs, as well as allowing for future expansion of the class size (up to 125 students per cohort). The space program includes the following types of spaces, which will complement SOM's existing space program:

- Instruction and instructional support spaces such as classrooms, specialized teaching spaces, and lecture halls,
- Student support and study facilities including study/lounge spaces necessary to comply with accreditation standards, and,
- Academic and administrative offices and support spaces.

The project will also include substantial site development, landscaping and infrastructure work which includes the following:

- Creation of a new plaza to unify the outdoor space in between the new SOM Ed II, the existing SOM Ed I, Boyce Hall, and Scotty's Market.
- Relocation of an existing generator and its related components in the project site area.
- Relocation of the existing SOM modular building to a nearby location in order to be utilized by SOM for the duration of the construction.

D. SUBCONTRACTOR PREQUALIFICATION PROCESS

The University has established a list of trades in which subcontractors will be required to prequalify. The purpose of the Prequalification Questionnaire is to provide the University with sufficient information to determine if the subcontractor is "responsible" to satisfactorily perform the proposed work. The term "responsible" has reference to trustworthiness, quality, fitness, capacity, experience, and ability of the subcontractor to satisfactorily perform the work. Prequalified Design Builder (Contractors) must use prequalified subcontractors for the trades established by the University to submit a responsive proposal for this project¹.

The prequalification process is as follows:

1. Questionnaire

Provide all requested information, as applicable, on the questionnaire. Any prospective subcontractor failing to do so may be deemed non-responsive with respect to the prequalification process for this project. All information submitted for prequalification evaluation will be considered official information acquired in confidence, and the University will maintain its confidentiality to the extent permitted by law.

Prequalification Questionnaires are available to all interested subcontractors and will only be issued electronically at:

https://pdc.ucr.edu/business-opportunities/contractors

For information call <u>Lynn Javier (949) 254-3494 or email lynn.javier@anseradvisory.com</u> and copy Betty Osuna at email betty.osuna@ucr.edu or call (951) 827-4590.

1. Mandatory Prequalification ZOOM Conference

Subcontractors interested in prequalifying to propose on this project are required to attend the Mandatory Prequalification Zoom Conference, scheduled on Monday, August 10, 2020, beginning promptly at 10:30 AM.

¹ Contractors may elect to self perform any listed trade work for which it is duly authorized.

Any interested subcontractors who sign-in to the Mandatory Prequalification Zoom Conference after 10:35 AM will be precluded from the prequalification process and may only bid as a sub-subcontractor.

Interested subcontractors shall contact Betty Osuna at betty.osuna@ucr.edu to receive the Zoom Conference Participant ID. Your email must include the following as the subject line:

954045 SOM Ed Bldg II – Request for Zoom Conference Participant ID

SUBCONTRACTORS MUST ENSURE THAT THE UNIVERSITY NOTES THEIR ATTENDANCE DURING THE ZOOM CONFERENCE. FAILING TO BE NOTED AT THE PREQUALIFICATION CONFERENCE WILL PREVENT A FIRM FROM BEING ELIGIBLE TO PARTICIPATE IN THE PREQUALIFICATION PROCESS.

3. Submittal Procedures and Deadline

Subcontractors interested in prequalifying to bid on this project must submit a completed Prequalification Questionnaire. The University is not responsible for any costs that subcontractors may incur to complete the prequalification process. All applicable portions of the attached forms shall be completed with attachments if the space provided on the questionnaire is not sufficient. QUESTIONNAIRES FAILING TO CLEARLY PRESENT ALL OF THE REQUESTED INFORMATION, OR THAT ARE NOT IN THE FORMAT REQUESTED MAY BE CONSIDERED NON-RESPONSIVE AND REJECTED ON THAT BASIS. Each copy of the submittal must be complete and fully responsive to the requirements of the Prequalification Questionnaire.

Prequalification Questionnaires must be uploaded to One Drive link provided to each proposer. Hard copies are not requested at this time, though the University reserves the right to request hard copies from the short-listed firms.

Prequalification Questionnaires must be formatted in a manner that is easy to follow the information being requested.

Subcontractors shall assume full responsibility for timely delivery at the location designated for receipt of Prequalification Questionnaires.
