I. GENERAL

A. PROJECT DESCRIPTION

The University of California, Riverside proposes to construct the new School of Business Building (SBB). The School of Business Building is intended to supplement the existing Anderson Hall and Olmsted Hall buildings and support the University’s project growth in enrollment. SBB shall engage undergraduate and graduate students alike through an open, responsive, and welcoming building. The new SBB is envisioned to be approximately 36,000 assignable square feet with spaces that elevate the School’s status among other business schools, be technologically sophisticated and forward-looking, and prioritize collaboration and student success. Spaces to be incorporated into the building include Shared Building Resources, Classrooms & Educational Spaces, Student Support Spaces, Academic Offices & Support, Administrative Offices & Support, and Building Support.

The Project Site, a 55-stall parking lot (Lot 8), currently consists of three existing buildings: two storage sheds (that will need to be relocated or replaced at 2 separate sites nearby) and one plant drying building (that will need to be demolished).

Project Delivery: Design Build

No contractor or subcontractor may be awarded any portion of this project unless registered with the Department of Industrial Relations pursuant to Labor Code section 1725.5.

This project is subject to **General Prevailing Wages** predetermined by the Department of Industrial Relations (DIR) and is subject to compliance monitoring and enforcement by the Department of Industrial Relations.

The successful Prequalified Proposer shall pay all persons providing construction services and/or any labor on site, including any University location, no less than the UC Fair Wage (defined as \$15 per hour as of 10/1/17) and shall comply with all applicable federal, state, and local working condition requirements.

D. PREQUALIFICATION PROCESS – DESIGN BUILD DELIVERY

The University intends to evaluate Design Builder (Contractor) qualifications for prequalification, solicit proposals from prequalified design build teams, and award a contract after receipt of proposals. The design build delivery process for this project begins with the prequalification of responsible General Contractors and Architects working together as “**Design Build Teams**”, but the actual structure of the entity is at the discretion of each Design Builder (Contractor).

The successful Design Builder (Contractor) will hold a current and active **General Building Contractor “B”** license to provide design development, construction documents and related work required to construct the project as described and specified in the Contract Documents. Each member of the design build team shall comply with the laws of the State of California and hold all required licenses to perform the work for which it is duly authorized.

To prequalify, the Design Build Team must meet all the requirements described in this questionnaire and in the interview. The purpose of the Prequalification Questionnaire is to provide the University with sufficient information to determine if the Design Build Team is “responsible.” The term “responsible” refers to trustworthiness, quality, fitness, capacity, experience, financial stability, and the ability to satisfactorily perform the work.

The prequalification process is as follows:

1. Questionnaire

Provide all requested information, as applicable, on the questionnaire. Any prospective Contractor failing to do so may be deemed non-responsive with respect to the prequalification process for this project. All information submitted for prequalification evaluation will be considered official information acquired in confidence, and the University will maintain its confidentiality to the extent permitted by law.

Prequalification Questionnaires are available to all interested Design Builders (Contractors) and will only be issued electronically at:

<https://pdc.ucr.edu/Business Building-opportunities/contractors>

For information call Lynn Javier (949) 254-3494 or email ljavier@azimuth0.com and copy Betty Osuna at email betty.osuna@ucr.edu or call (951) 827- 4590.

2. Mandatory Prequalification ZOOM Conference

Design Builders (Contractors) interested in prequalifying to propose on this project are required to attend the Mandatory Prequalification Zoom Conference, scheduled on **Friday, November 19, 2021, beginning promptly at 10:00 AM.**

Any interested Design Builders (Contractors) who sign-in to the Mandatory Prequalification Zoom Conference after 10:05 AM will be precluded from the prequalification process and may only bid as a subcontractor.

Interested Design Builders (Contractors) shall contact Betty Osuna at betty.osuna@ucr.edu to receive the Zoom Conference Participant ID. Your email must include the following as the subject line:

950592 School of Business Building – Request for Zoom Conference Participant ID

DESIGN BUILDERS (CONTRACTORS) MUST ENSURE THAT THE UNIVERSITY NOTES THEIR ATTENDANCE DURING THE ZOOM CONFERENCE. FAILING TO BE NOTED AT THE PREQUALIFICATION CONFERENCE WILL PREVENT A FIRM FROM BEING ELIGIBLE TO PARTICIPATE IN THE PREQUALIFICATION PROCESS.

3. Submittal Procedures and Deadline

Design Builders (Contractors) interested in prequalifying to propose on this project must submit a completed Prequalification Questionnaire. The University is not responsible for any costs that Design Builders (Contractors) may incur to complete the prequalification process. All applicable portions of the attached forms shall be completed with attachments if the space provided on the questionnaire is not sufficient. **QUESTIONNAIRES FAILING TO CLEARLY PRESENT ALL OF THE REQUESTED INFORMATION, OR THAT ARE NOT IN THE FORMAT REQUESTED MAY BE CONSIDERED NON-RESPONSIVE AND REJECTED ON THAT BASIS.** Each copy of the submittal must be complete and fully responsive to the requirements of the Prequalification Questionnaire.

Prequalification Questionnaires must be uploaded to One Drive link provided to each proposer. Hard copies are not requested at this time, though the University reserves the right to request hard copies from the firms who pass Level I of the process and are to be interviewed.

Prequalification Questionnaires must be formatted in a manner that is easy to follow the information being requested.

Design Builders (Contractors) shall assume full responsibility for timely delivery at the location designated for receipt of Prequalification Questionnaires. **ORAL, TELEPHONIC, FACSIMILE, TELEGRAPHIC, OR E-MAILED PREQUALIFICATION QUESTIONNAIRES ARE INVALID AND WILL NOT BE ACCEPTED. NO PREQUALIFICATION DOCUMENTS WILL BE ACCEPTED AFTER THE DUE DATE AND TIME.
