

**PUBLIC NOTICE**  
**UNDERGRADUATE TEACHING AND LEARNING FACILITY**

**March 1, 2024**

University of California, Riverside (UCR) has published Addendum No. 2 to the 2021 Long Range Development Plan (LRDP) Environmental Impact Report (EIR).

**Project Location:** The Undergraduate Teaching and Learning Facility (UTLF) site is located at the eastern terminus of the University Avenue and Canyon Crest Drive intersection, within the UCR East Campus. The land use designation for the site in the 2021 LRDP is University Avenue Gateway.

**Project Description:** The proposed UTLF Project would entail development of approximately 100,700 gross square feet of new academic space. The space program is focused on undergraduate education and incorporates the following types of spaces, which strategically address some of the campus' most pressing instruction and instructional support space needs:

- General assignment classrooms
- Specialized teaching spaces such as labs and studios supporting the arts, engineering, and physical and natural sciences
- Instructional support spaces

**Document Availability:** The [Addendum](https://pdc.ucr.edu/environmental-planning-ceqa) is available on the UCR Environmental Planning website: <https://pdc.ucr.edu/environmental-planning-ceqa> (under Completed CEQA Documents; Undergraduate Teaching and Learning Facility). If assistance accessing the documents is needed, please contact the Planning, Design & Construction (PD&C) office at (951) 827-1484 or email at [CEQA@ucr.edu](mailto:CEQA@ucr.edu).

**UC Board of Regents Meeting:** On March 19-21, 2024, the UC Board of Regents will meet to, among other items, consider approval of the UTLF Project following review of the Addendum No. 2 to the 2021 LRDP EIR. California Environmental Quality Act (CEQA) and project design actions will consist of: 1) adoption of the CEQA Findings for the UTLF Project having considered both the 2021 LRDP EIR and Addendum No. 2 to the 2021 LRDP EIR for the UTLF Project; 2) make a condition of approval implementation of the applicable mitigation measures and continuing best practices identified in Addendum No. 2 to the 2021 LRDP EIR as identified in the Mitigation Monitoring and Reporting Program adopted in connection with the 2021 LRDP EIR; and 3) approval of the design of the UTLF Project. The UC Board of Regents meeting agenda and schedule can be found online at: <https://regents.universityofcalifornia.edu/meetings/>.

Members of the public can provide public comment on this Project in two ways: 1) sign up for public comments prior to 5:00 p.m. the day before the public comment period, and/or 2) provide written comments to the Office of the Secretary and Chief of Staff at [regentsoffice@ucop.edu](mailto:regentsoffice@ucop.edu) no less than forty-eight (48) hours in advance of the scheduled start time of the first session of the March 2024 UC Board of Regents meeting. Guidelines for public comment can be found on the UC Board of Regents website at: <https://regents.universityofcalifornia.edu/meetings/public-comment.html>.
