RFI No.	QUESTIONS / ANSWERS
4-1	<p>Question: The RFQ states that we should include “No more than two (2) photographs or diagrams e.g. plans” for each project in the Project Experience section. But it also asks for “Work product examples demonstrating design responses and graphic abilities”, which I imagine could best be represented graphically. So I just wanted to confirm – does this mean that each project has a hard cap of two images, diagrams, or graphic representations of any kind?</p> <p>Answer: No, so long as the overall submittal is within the page limit.</p>
