Exhibit
CM/Contractor Provided
Conditions to Subcontractors

The following listed items shall be provided by the CM/Contractor, and made available throughout the Project as indicated, as the Work requires, for the benefit of the Project and the CM/Contractor's Subcontractors. Unless otherwise noted, all items references shall include set up, maintenance, removal, rental or usage charges, operation, and all associated labor. In addition to the items listed, the CM/Contractor and its Subcontractors shall provide all General Conditions Work items necessary to complete the Work, and/or called for by the Contract Documents. Other specific items to be provided by the CM/Contractor, for the benefit of the CM/Contractor and the Project are listed in the Scope of Work Exhibit. Subcontractors shall be responsible for all General Conditions Work incurred as part of their respective scope of work and not addressed in this exhibit. This exhibit shall be required to be included with all Bid Package(s). If "Applicable Phase(s)" not identified in column of table below, General Conditions task applies to "All" Contract Time.
