NOTICE OF COMMUNITY REVIEW

PROJECT REVIEW MEETING

Notice is hereby given that a Second Community Project Review Meeting will be held by the University of California, Riverside (UCR) on the following project:

PROJECT: RUSD STEM Education Center

ARCHITECT: Ruhnau Clarke Architects

PROJECT CONTACTS:
Ana Gonzalez, Director II, Planning Department
Riverside Unified School District
(951) 788-7496 x84003

Thomas Toepfer, Executive Director
UCR Real Estate Services
(951) 827-2682

Stephanie Tang, Campus Environmental Planner
UCR Planning, Design & Construction
(951) 827-1484

LOCATION:
Proposed site is located at the southwest corner of Canyon Crest Drive and Blaine Street in the City of Riverside.

DESCRIPTION:
The Regents of the University of California, on behalf of UCR, is partnering with the Riverside Unified School District (RUSD) to propose a ground lease of University-owned land (see site location map) on East Campus for the purpose of constructing a new RUSD STEM Education Center serving grades 9 through 12. The approximately three story, 87,000 square foot RUSD STEM Education Center will serve approximately 1,200 students (full time and part-time) with a capacity of 800 students at any given time, who are pursuing their interests and aptitudes in areas of science, technology, engineering, and mathematics.

OBJECTIVES:
The STEM Education Center will consist of classrooms, administrative offices, a multi-use discovery center, fabrication lab, food service, lecture facilities, a fitness center, outdoor learning areas, and associated parking and circulation.

ENVIRONMENTAL DETERMINATION:
The proposed project will be subject to an Environmental Impact Report (EIR) under the California Environmental Quality Act (CEQA).
